Relapse treatment applies to patients who completed their orthodontic treatment with Ordoline and whose case was closed, warranty expired, or free refinements were finished. It is valid for 5 years following the closing of the case, warranty expiration, or completion of free refinements. Additionally, relapse treatment options must align with the original treatment plan and objectives.

Ideal patients should be in mixed dentition (usually 6-10 years old), with the erupted first permanent molars, permanent central incisors and the second primary molars (E) which are not going to change very soon. Patient should also have at least two among primary cuspids (C) or molars (D or E) per quadrant in at least 3 quadrants.
Completed Ordoline Kids Phase 1 treatment is mandatory to qualify for Ordoline Kids Phase 2 treatment option.

NOTES:

- 🕒 All prices are without VAT.
- 🕒 Consultation to determine if treatment is possible – free of charge.
- 🕒 Open treatment warranty – Ordoline Basic: 1 year; Ordoline Standard: 3 years; Ordoline Advanced: 5 years.
A case is opened on the day the first aligners are produced. The case is closed when retainer aligners are dispatch or when the case status changes to "Treatment Finished" in the Dr. Ordoline portal.
- 🕒 The case will be closed after 6 months from the date the last pair of aligners should have been worn.
- 🕒 Surgical guide setup – 50 €.
- 🕒 Printed surgical guide – 99 €.
- 🕒 One sleeve for the surgical guide – 10 €.
- 🕒 Mini-implants, implants, and other potentially required auxiliaries are priced independently and are not included by default.
- 🕒 Treatment planning (if aligners are not ordered) – 150 €.
- 🕒 Aligner replacement – 25 €.
- 🕒 Retainer prices – first set*: 35/60 € (One arch/two arches); 2 sets – 60/100 €; 3 sets – 85/140 €.
*If the treatment is completed with Ordoline aligners, the first retainer is free of charge.
